Dear Prayer Team,

A little over a year ago, I led an elderly man to repent and invite Christ into his heart. Being in bad health, he never matured spiritually much, never followed the Lord in baptism, and only attended a couple of our church activities and services. After many months in the hospital he passed on to glory just a couple of weeks ago. I am very glad he repented receiving Christ before he died.

On the other hand, I lead Diego, an 18 year old young man, to the Lord after a recent Sunday evening church service. We will start discipleship classes with him this Sunday evening, hopefully with a few more disciples. If the Lord carries this young man has his whole life to serve our Lord please pray he will make wise use of his time on this earth.

God blessed in our Easter Services. We had a sunrise service with breakfast afterwards, followed by Sunday School and a Peruvian church planting missionary speaker. We finished up Sunday evening with the Lord's Supper and the young people put on a brief drama with pastor Sinti as narrator. We trust your resurrection services blessed you and your congregation as well.

Just think what we can do together,

Bro. My
