Dear Prayer Warriors,

Thanks for your prayers for our million-dollar celebration. By faith, we celebrated that Peruvian Baptist Churches, by the year's end (2019), will have repaid one million American dollars to the Project Peru interest-free, revolving fund. We set up the fund in Peru in 2001, by 2004 we had a loan base fund of \$230,000 which now has reached over \$250,000. Ninety six churches have received about 150 loans to date, most of which have been repaid.

Take a look at a few of the photos:
