

November 2019

Dear Prayer Warriors,

I turned 65 this month. It seems like just yesterday I got that famous invitation letter to join AARP at age 50 and now I am signed up for Medicare. Time sure flies of late.

In our 37 years as missionaries, we have seen two of our BBFI missionaries buried here on Peruvian soil. Just lately, Dave Surret, (retired but still one of us), died here on Oct 23rd at 80 years old being buried here on Saturday Oct. 26th 2019.

Tom Brown died on May 4, 1985 in his forty's, half the age of Dave. We never know how long we have. Both of these men set an example of using the time they had for the Lord.

Missions is worth giving ones life for.

This is MISSIONS month and we will again take up our

Faith Promise missions cards, this time at our first (annual?) mission's banquet. Our Baptist La Molina church plant using faith promise now supports 10 missionaries a month, at around \$62 each a month, depending on the exchange rate. Four Peruvian families that we support as missionaries are in Bolivia, Columbia, Morocco Africa, and India. Hopefully, we can raise monthly support and take on more in more countries after our "Mes Misionera".

Just think what we can do together,

THANKS FOR YOUR FAITHFULNESS!
