MERRY CHRISTMAS
&
HAPPY NEW YEAR

Dear Spiritual Family,

We, of late, have reported back to churches in Texas (TX), Illinois (IL), New Hampshire (NH), Massachusetts (MA), & Pennsylvania - this coming Sunday (PA). I have visited many church services and met pastors for the first time in Maryland (MD), New York (NY), and Virginia (VA) as well. On the latest trip to MA we arrived in a snow storm that closed the interstate for a while. That was the first heavy snowfall we have seen in many years not to mention driven in. All the pastors have learned to cope with new restrictions and COVID among active members, all the while continuing with amplified services and times.

We plan to celebrate Christmas with our son this year in his home in MD.

Cade, our son, just arrived stateside on Dec. 9th from being deployed to Iraq. We hope that this 20th army deployment, to a variety of places in his 19 years in the Army, will lead to his retirement from the same.

Our plan to return to PERU in January of 2021 seems way overdue since our unplanned forced COVID furlough that actually, unknowingly, began in April of 2020. Our church plant in Peru just in late November finally started very limited services due to the COVID infections and deaths there. The church continues to broadcast live services via the internet as well as in-person services. They have also begun construction on the second floor for a larger auditorium space to allow for more attenders and for more space for social distancing.

Just think what we can do TOGETHER,

THANKS FOR YOUR FAITHFULNESS!

Your missionaries to PERU
