

NEW 2020 YEAR !

Dear Friends and Supporters,

In our last service of 2019, a Sunday night, a teenage girl (Anita) invited Christ into her heart. What a great way to end the year and start a new one. Our Christmas play in the street was a success and many from the

neighborhood filled out visitor's cards. They officially registered our property on Dec. 31st. So now we can begin to draw up blueprints, which must be approved before we can begin to build the second floor auditorium. It also means we can apply for a house #, which we have done. That will take a month, so hopefully we will have

an easier to find GPS address by mid February.

Also in Feb. we have planned a 3-day VBS type "vacaciones útiles" where Debbie will teach basic English classes, while others are in charge of crafts, games, refreshments, and of course a bible story. Hopefully some of our ladies and men will be attending separate 4-day retreats at camp as well. This summer our campers have attended 3 different camps and two young people from our congregation served as counselors as well.

In 2020, we continue to see visitors on a regular basis to our church services. We plan to double down on praying for them and with follow up visits in an effort to get a better retention rate in this fruitful New Year.

Just think what we can do TOGETHER,

THANKS FOR YOUR FAITHFULNESS!
