

Peru since 1982

August 2022

Dear Prayer Warriors,

Our son, Cade, retired this month as a Sergeant Major (E9) from the United States Army. During 21 years as a soldier he deployed 20 times. Throughout his career he has received 25 different awards & medals, totaling 41

in all (including 2 bronze stars). God has truly blessed your prayers beyond what we could have imagined. Not only with our son, but our daughters have been blessed as well. Dionne is a certified RN & teaching nurse, while Shay, with her masters degree in social work, has her own counseling office. All three of them grew up in PERU & speak excellent Spanish, much better than their parents do for sure.

While we gathered to celebrate Cade's retirement, Debbie & I contracted COVID. After 5 days taking Paxlovid, and 5 days more of quarantine we returned to Peru where I had a relapse, Debbie had recovered in a couple of days while still state-side. Now I am on the mend, taking weekly multiple vitamin B complex injections and feeling better each day. I now know what people mean when they speak of a brain fog!

This month the Iglesia Biblica Bautista la Molina celebrates its 13th year as an organized church. The pastoral leadership is now in the hands of pastor Raul Sinti. Born in Peru, a Peruvian national who graduated from our Bible college here in Peru and later got his accredited BA from another christian college here. His wife, Ivette, recently tested cancer free! Their family of four girls, faithfully serve in the church.

This past month Debbie and I held a missions conference in Arequipa. So far they have seen a 25% raise in missions giving, praise the Lord. We plan to continue visiting other churches each Sunday in the days ahead to challenge them as well and encourage churches involved in our interest free revolving fund called Proyecto Peru = Project Peru (PP). We just got news of two new donations for the PP fund!

<http://maxharmonperu.com> dmharmon@hotmail.com Thanks for your faithfulness!
