Dear prayer team,

We held VBS on Saturdays this year with a

theme of "Connect with Jesus" for this new internet driven generation.

We finally celebrated our annual outside sunrise Easter service and breakfast, after missing it for a couple of years. Later that morning, on our newly poured and leveled cement floor, we had to put out ALL of our chairs and filled the auditorium with people. In the Thurs. - Sun. evening services, one lady received our resurrected Christ in her heart. Thankfully we continue to have new visitors most Sunday mornings and some of the evening services.

Last Saturday Debbie taught at a mothers day banquet, in a sister church with almost 200 present, 2 accepted Christ into their hearts, hopefully more in the days ahead.

Just think what we can do TOGETHER,

DM Harmon
