

Peru since 1982

JUNE 2023

Dear Prayer Warriors,

This month we will finish up the course we are teaching, "Panorama of the Old Testament" via zoom on Wednesday nights. It has been a good experience for both of us to teach such a course for the first time via zoom. The regular mid week service attendance, on Thursday night, has improved substantially.

This June pastor Saul will complete 6 months as pastor in a job well done. Giovanna, his wife,

& he are facing some health issues so please pray for them. A couple of weeks ago a young man (mid 20's) prayed a sinner's prayer for salvation after the service. Augusto had responded at the invitation, & hopefully more baptisms in July.

We started a church in Paramonga back in the mid 1990's. Since then they bought property and built. I am pictured here leading the invitation under a then thatched roof years ago. From the first floor they added 2 more floors. Each of the 3 pastors had a

part in the progress. Pray for the church now as they seek God's leading in calling a new full time pastor : it will be their 4th in some 30 yrs.

Thanks for your Faithfulness!

Just think what we can do TOGETHER,

Max & Debbie Harmon
