

JULY 2024

Dear Prayer Team,

We hope you had a great 4th independence day, ours was spent in a hotel because of canceled flights. On the 12th we celebrated our 50th wedding

anniversary with our three adult children. They treated us to six days together (with five of our grandchildren) and with Rex, one of my younger brothers. He has been a great missionary for over 30 yrs. to Jamaica. I preached in his work in Trench Town twice. Please pray for their protection as they minister in a very dangerous area.

This past June, we participated in the examination and subsequent ordination service of three men in the Bosque Baptist Church here (the 1st BBFI church in Peru).

This month of July, on Sunday 28th, is independence day for Peru. The La Molina Bible Baptist Church has planned an outing where a second service will be held in a retreat area, along with a baptismal service. Then all will relax to full afternoon of food, fun, and fellowship.

Once again, please accept my apology for taking so long to get this letter out to you. The next one will be in September, I promise (Lord willing of course!).

Thanks for your Future Faithfulness throughout 2024!

Just think what we can do together,

Max & Debbie
