

Marzo (March) 2024

Dear Co-laborers,

Finishing up the 1st quarter of 2024, we need to report in again via this short prayer letter. We just celebrated the 15th anniversary with our church plant, "Iglesia Biblica Bautista la Molina". Now under total Peruvian leadership, the church celebrated with a week of activities. They finished with a 5 pm service that was well attended. That evening, they presented us with a plaque for our part in the church plant.

Our son, Cade and his daughter, Taylor, will arrive this Friday and spend a few days with us. He has not been back to Peru in over ten years.

In November, we plan to celebrate 23 years of helping local Baptist churches through our Peru based, interest-free revolving fund we call *Proyecto Peru*. \* We want to invite you as well, to celebrate with us in southern Lima (VES)! Plan and pray with us for Nov. 15-16, Friday and Saturday, 8am until 2pm each day. We hope to have many pastors, especially from outlying states or provinces. The fund has helped over 100 churches with building projects and a few land purchases.

**Thanks for your Future Faithfulness throughout 2024!**

Just think what we can do together,

**The Harmons**

Max & Debbie

(By clicking on the embedded links & scrolling you can see the Harmons web page as well as reports on building projects, - PP in Spanish of course.)

\*(Project Peru - an interest free revolving construction fund based in Peru.)
