

Noviembre 2021

Dear prayer warriors,

Your prayer and financial help got us the land and partial construction in 2017. We moved onto the property late that same year and have been making improvements ever since. Before COVID we met in two morning

services downstairs in a crowded space. After extending the metal roof (paid for with our IBBM church funds), we moved the main services to the second floor for the past few months. Thankfully with a small Project Peru interest free loan, we finally have it looking like a church from the street, by putting in an entrance ramp, windows, and a nice wide front door complete with an engraved church logo. We still lack a good floor and finishing the inside drywall but plan to complete them as the Lord provides the funds.

At present, the government allows 50% occupancy. So for now we have room to grow. Of late, in most all of our Sunday morning services we once again regularly greet first time visitors! The Iglesia Biblica Bautista Zarate (IBBZ) church has called a pastor and while I helped the pulpit committee and filled the pulpit, we had 12 saved between both churches - IBBZ & Iglesia Biblica Bautista la Molina (IBBM).

Just think what we can do TOGETHER,

**THANKS FOR YOUR FAITHFULNESS!**
